

## ASK MIDDLE SCHOOL SUPPLIES: 2010-2011

The following is a list of items needed for the first day of school in order to be prepared to work efficiently and to meet the expectations of the teachers. This is a basic and, as the school year proceeds, other items may be required. Also, as items are used up or misplaced, they must be replaced. Students do share materials, so it is important to label as many items as possible with the student's name.
