Elementary School Supply List

2010-2011

Dear Parents,

Below you will find a list of supplies that your child will need to begin classes next year. We did not include lunch boxes and backpacks on the lists as we realize that they are standard items children love to shop for with their parents. There may be some additional supplies needed once your child starts school, but the teachers will inform you of what is needed at that time. We hope that by receiving this list now, you will have a better opportunity to shop for certain items during the summer.
