### Session Descriptions

#### Art

In Art, campers will create projects that are based on or inspired by the cultures, geographies, and features of the countries we visit. Projects will involve experimenting with a wide variety of mediums and techniques.

#### Cooking

In Cooking, campers will make and taste delicious dishes from each of the countries we visit. In addition to experimenting with sweet and savory recipes from around the world, campers will learn about kitchen safety and cleanliness.

#### Sports & Games

In Sports & Games, campers will keep fit and have fun while working in team situations. Campers will participate in the national sports, traditional games, and popular activities of each of the countries in our travel plan.

#### Music & Drama

In Music & Drama, campers will dance, sing, act, and play instruments while exploring cultures around the world. Activities will encourage taking small risks and having confidence while performing.

#### Science & Technology

In Science & Technology, campers will use an extremely hands-on approach to discover cool facts about places from around the world. Campers will have opportunities to conduct experiments, use computers, and create inventions.

# Welcome

Dear Parents and Guardians,

At ASK's Summer Camp 2009, "Passport to Adventure", campers will "travel" around the world, exploring fascinating countries along the way! This four week camp will allow students to actively engage in a variety of hands-on and fun-filled activities each day. Throughout our trip around the world, campers will be encouraged to discover, create, explore, move, cooperate, and problem-solve. Our fully-qualified and experienced teachers are looking forward to fun in the sun with your child this summer!

Thank you for making the American School of Kuwait your choice for summer education.

Best Regards,

Jennifer Kossowan
